To Whom It May Concern:

I wanted to take a moment to provide a letter of recommendation for Dean Schermerhorn and his freelance writing with Concise Communications.

Mr. Schermerhorn and I have worked together in various capacities for almost 10 years, and I know him to be an excellent writer who is reliable, timely and detail-oriented.

In the healthcare industry, I require writing that takes technical medical information and conveys it in messaging and articles that are clear and comprehensible to the general public. Mr. Schermerhorn excels on all fronts. He is able to research and tackle complex medical terminology and translate it into lay terms that are easily understood.

I also appreciate that Mr. Schermerhorn can balance multiple assignments and always deliver in a timely manner and on deadline.

I wholeheartedly recommend Mr. Schermerhorn and Concise Communications to anyone looking for a freelance writer who always delivers a quality product in a reliable, timely, consistent manner.

Sincerely,

Don Butterfield, APR, MBA  
Director of Marketing and Business Development
