Dean Dean,

Thank you so much for the *"Now What?" 90 Days to a New Life Direction* article that you recently wrote for me to include on my website and to submit to local publications.

I appreciate your interviewing skills and style which resulted in you being able to write a wonderful article describing this powerful coaching program. You are also very dependable so that I was able to count on you as we were racing to meet a deadline for the new website.

You have a wonderful way with words and I look forward to working with you on many future projects. Thank you.

Sincerely,

Katherine (Kit) Prendergast, CCMC
